

CASA CANEVEL

DIESEL®

PROSECCO DOC ORGANIC

EXTRA BRUT

Canevel's expertise in making sparkling wines and Diesel's style as an international lifestyle brand meet in this organic doc Prosecco, made with a common commitment to sustainability.

The wine-making and spumante process take place naturally, with a single fermentation and with no addition of sucrose, retaining the aroma of the Glera grapes intact in the finished product, which stands out for an explosion of fruity and floral notes.

The new creation is "dressed" in Diesel, which designed the packaging.

GRAPE VARIETIES

100% Glera.

ORGANOLEPTIC NOTES

Appearance: bright straw yellow with fine, elegant *perlage*.

Bouquet: delicate hints of fresh citrus fruits, green apples and white flowers.

Palate: well structured, with a clear, refreshing acidity and a persistent finale.

PAIRINGS

In addition to being an excellent aperitif, this spumante is the perfect accompaniment to all fish dishes, like salmon and shellfish, as well as white meats.

SIZE: 750 ML WITH SINGLE PACK

SERVING TEMPERATURE: 8° C

ALCOHOL CONTENT: 11% vol.
